

Afternoon Pick-up

Parents should enter by way of the North entrance and form a double line around the school. Students will wait in designated areas until their ride is one of the first 6 cars in line. Teachers will call students names and they will load. When the first six cars have loaded, a teacher will direct the cars to leave. Those in the right lane should exit to Benton Street and those in the left lane to Pacific Street.

Parents who wish to park and pick up their child(ren) may park in the south lot BEFORE 3:05pm and wait to the east of the entrance. We ask that all children be accompanied to their cars by parents and that parents wait for traffic to stop for loading before they cross to their cars.
